A. H. Burnett, Esq.,

Canadian Conference Charities and Corrections.

Dear Mr. Burnett:

I should like to take part in the programme when you are discussing the training for social workers at the meeting of the Canadian Conference of Charities and Corrections. If possible I will be with you on the 16th of September, but it is a long way ahead for me to make definite arrangements, particularly as at that time of the year we shall be very busy making plans for the opening of the coming session. However, I will try to keep the day free.

Yours sincerely,

President.
